

Previous Cummings Grants

Has your organization previously received a grant of \$100,000 or more from Cummings Foundation?

10-Year Grant *(shown only to applicants who respond “yes” to the previous question)*

Among this program’s 140 grant winners will be first-time recipients as well as nonprofits that have previously received grants of \$100,000 from Cummings Foundation. In April 2021, a limited number of repeat recipients will be invited to make a presentation proposing that their grant be elevated to a long-term award. Forty such requests will be granted in the form of 10-year awards ranging from \$200,000 to \$500,000 each.

If you would like to be considered for a 10-year grant, please describe how your organization is well positioned to accept and maximize the benefits of this substantial long-term funding. **(Note: This is the only question relating to the 10-year grants. Please complete the remainder of this application with a \$100,000 grant in mind.)**

Recognition in the Community

Rather than processing multiple smaller donations throughout the year, such as for fundraising events, Cummings Foundation has found it much more effective and efficient to give larger sums through substantial "all-inclusive" multi-year grants. The disadvantage of this approach, however, is that the Cummings name rarely appears on event sponsor lists, which often gives the impression that the Foundation is not among those supporting the local community.

To address this issue, some grant recipients have listed the Foundation as a sponsor of each of their primary annual events (at a non-exclusive level). Please note, however, that the Foundation rarely takes advantage of any sponsor benefits that would result in an expense to the nonprofit. Other recipients have elected to recognize their major and/or long-term donors by including their names or logos in a special section of some of their regular communications.

How would you propose addressing this issue if you were to receive a grant?
